# LA LOHUAS GITES

La Lohuas is our family farmhouse in North Brittany. The outbuildings have been converted into three gites, or country cottages, suitable for holidays at all times of the year. The south facing courtyard of the farm provides a peaceful and tranquil environment in the heart of the country from which to base your holiday.

La Lohuas has 4 acres of land with outdoor play areas. For younger children there is a safe fenced area with trampoline, swings, slide, sandpit and ride on toys. The grotto is an exciting wooded area to explore, with a small river allowing trout fishing. There is also a lawned area with football and boules and croquet. A huge open barn has a sheltered play area containing table tennis and other games for all our guests.

La Lohuas is within 5 minutes drive from the centre of Dinan, a beautiful medieval walled market town, with its castle, gardens, shops and restaurants. The port of Dinan gives access to beautiful walks along the water meadows of the Rance in both directions, this is also a very popular area for cycling.

There are local French markets available almost every day around the region. Other attractions include Zoos, Cobac Park (a fantastic children's day out with rides, bouncy castles and splash pools), Grand Aquarium, Mont-St-Michel.

Locally there is an outdoor heated swimming pool, golf courses, horse riding and fishing.

Within 30 minutes drive are many fabulous beaches on the coast, St Malo, Dinard, Erquy, Pleneuf Val Andre, St Cast le Guildo to name a few.

We have produced a folder of information for each gite listing places to go and what to see, whatever the weather.

## THE GITES

The gites are all furnished with a fully equipped kitchen, including fridge/freezer, oven and hob, toaster, kettle and microwave. All crockery, cutlery and kitchen equipment is available to ensure that your stay in France is a home from home. Each gite has its own terrace with patio furniture and barbecue.

The gites all have facilities for a cot and highchair. A welcome hamper is provided in the gites for the start of your holiday, containing tea, coffee, sugar, bread, butter and wine. Home produced eggs are also available. Towels can be provided at an additional cost. Bed linen is included in the price of the gite.
